To whom it may concern,

I had the pleasure of working with Marcus Goetz during the 2017 Singapore Grand Prix. As the Public Relations Manager for Amber Lounge, the original and most publicized Formula 1 event, I called upon Marcus to film the event. Marcus was energetic, enthusiastic, punctual, creative, and ultimately produced outstanding content. The primary goal of the video was to use as marketing for future events as well as fulfilling obligations with sponsors and Marcus went above and beyond to accomplish these goals. His work was well received by the Amber Lounge team, sponsors, and online viewing audience.

Beyond his performance, Marcus is also exceptionally passionate about film, which carries through into his work. He is also a natural leader and thrives in a co-working environment.

I have the deepest personal and professional respect for Marcus and I sincerely believe that he will bring his unique optimism, creativity, and passion to any work or educational environment.
