

To whom it may concern,

I am pleased to have the opportunity to write this letter of recommendation for Marcus Goetz who interned as an **Assistant Producer** here with us at Fat Mango Videos for a total of 6 months.

Fat Mango Videos is a boutique video production company based in Phuket & Bangkok, Thailand that focuses on creating promotional video content for online marketing purposes. For further info on us, you can visit our website [www.fatmangovideos.com](http://www.fatmangovideos.com)

Marcus demonstrated a professional work ethic and consistently contributed to creative concepts. He works well in a team but is also able to tackle a challenge on his own if called upon.

Despite being in the early stages of his filmmaking career, he has displayed a true passion and dedication to learning the art of story telling. His strengths lie in being able to visualize a concept and having a good eye for the shot needed to convey the story.

I truly believe he would make a positive contribution at whichever filmmaking path he chooses. If I can be of any further assistance, please feel free to contact me at [nico@fatmangovideos.com](mailto:nico@fatmangovideos.com)

Sincerely,

A handwritten signature in black ink, appearing to read "NR.", with a long, sweeping horizontal stroke extending to the left.
